

# EXHIBIT A

**If you were a Customer of the Mount Holly Municipal Utilities Authority Between January 1, 2007 and December 31, 2017,**  
*You may be eligible for a sewer credit of up to \$26.50.*

## **Why is this credit being offered?**

The Mount Holly Municipal Utilities Authority (Authority) has reviewed its postage and handling billing charges for properties serviced outside of Mount Holly Township. Customers who reside outside of Mount Holly are charged at a rate up to 1½ times higher of Mount Holly Township. Although this higher rate has been approved through formal annual rate hearings, it has been identified by the Authority as being inconsistent with the Sewer Service Agreements in effect with each town. As a result, the Authority is offering current customers an opportunity to receive a one-time credit of up to \$26.50.
